EPISODE FOUR

REPRISE THEN:

1. INT. SPACE SHIP. RECEPTION AREA.

(TURLOUGH AND MERCER
ARE WITH THE
DEAD "TEGAN")

TURLOUGH: What will I tell
the Doctor?

MERCER: Look, I'm sorry, but we
must go.

TURLOUGH: I can't just leave
her.

MERCER: There's nothing you
can do. (cont...)

(BEHIND THEM, IN
THE ENTRANCE TO THE
TIME CORRIDOR,
THE REAL TEGAN
STARTS TO FORM.

MERCER AND TURLOUGH
STAND, THEIR
BACKS STILL TO THE
TIME CORRIDOR)

MERCER: (cont) (GENTLY) Come
on.

(THEY TURN AND
SEE TEGAN)

TURLOUGH: What's happening?

(TEGAN STEPS FROM
THE TIME CORRIDOR)

TEGAN: Turlough!

(SHE LOOKS DOWN
AT THE DEAD
"TEGAN" THEN
AT TURLOUGH.

HE SHRUGS)

It's me!

MERCER: We must get away
before the Daleks arrive.

TEGAN: Not without the
Doctor.

TURLOUGH: That's who we're
looking for.

TEGAN: Then look behind you.

(MERCER AND TURLOUGH
TURN AND SEE,
HALF HIDDEN IN A
DEEP ALCOVE, THE
DOCTOR'S TARDIS)

TURLOUGH: (SURPRISED) He's here.

TEGAN: We must find him.

(TURLOUGH TRIES THE
LOCKED DOOR
OF THE TARDIS)

He can't be far.—

(MERCER AND TURLOUGH
EXCHANGE AN
AWKWARD GLANCE)

TURLOUGH: But where?

TEGAN: Let's look.

2. INT. SPACE STATION. LABORATORY. DARK.

(THE CHEMIST IS
STILL WORKING AT
THE GAS-TIGHT
CONTAINER.

THE TROOPERS
ASSIST.

DAVROS IS BEFORE
THE SCANNER
SCREEN.

ON IT WE SEE
TEGAN, TURLOUGH
AND MERCER
LEAVING THE RECEPTION
AREA.

DAVROS OPERATES
A CONTROL STICK
AND THE SECURITY
CAMERA PANS
ROUND AND WE
SEE THE TARDIS.

KISTON AND THIRD
DALEK ARE WITH
DAVROS)

DAVROS: Perfect. The Doctor's
Tardis. He must be aboard.

(DAVROS TURNS OFF
THE SCREEN)

THIRD DALEK: He is a prisoner
of the Daleks.

DAVROS: Better still. I must have his Tardis. (TO THIRD DALEK) You must secure it for me. Take the troopers.

THIRD DALEK: I obey.

3. INT. SPACE SHIP. DUPLICATION ROOM.

(THE DOCTOR STILL
WRITHES IN AGONY.

THE IMAGES FROM
HIS MIND STILL
FLICKER ON THE
MONITOR. IMAGES
FROM THE PATRICK
TROUGHTON PERIOD
OF DOCTOR WHO.

STIEN, WHO IS
STILL STANDING
ZOMBIE-LIKE, STARES
INTO SPACE.

THE DOCTOR LETS
OUT A SUDDEN SCREAM.

THIS SEEMS TO
SNAP STIEN BACK INTO
REALITY.

HE SWITCHES OFF THE
MACHINE AND THE
MONITOR GOES
BLANK)

STIEN: (TO A TROOPER) Help
me.

(AS THE TROOPER
CROSSES FROM HIS
GUARD POST BY
THE DOOR, STIEN
STARTS TO RELEASE
A STRAP SECURING
THE DOCTOR'S WRIST)

4. INT. SPACE SHIP. BRIDGE. RED.

(SUPREME DALEK AND
FIRST DALEK STAND
BEFORE THE CONSOLE.

LYTTON ENTERS)

LYTTON: I need more
troopers.

SUPREME DALEK: They will be
duplicated.

LYTTON: Duplicates are
unreliable.

FIRST DALEK: The Duplication
process has been perfected.

LYTTON: Really? I have ten
men being re-processed at the
moment. They've started to
remember who they were. Your
process is clumsy.

SUPREME DALEK: We do not agree.

LYTTON: I didn't expect you
to.

SUPREME DALEK: The duplicate 's
new body is genetically perfect.
It is free of disease. The
aging process has been retarded.

LYTTON: It's not the body that's at fault. It's the mind you're putting into them. You haven't cleaned them up enough. Old memories start to break through.

SUPREME DALEK: That is a minor problem. It will be eradicated.

LYTTON: If you're not careful, you could have a mutiny.

FIRST DALEK: They would be exterminated.

LYTTON: You can't afford to. They're the only effective fighting force you've got.

5. INT. SPACE SHIP. DUPLICATION ROOM.

(THE DOCTOR IS
STILL GROGGY, BUT
COHERENT.)

THE TROOPERS HAVE
RETURNED TO THEIR
PLACES BY THE DOOR.

STIEN IS SITTING
ON THE COUCH NEXT
TO THE DOCTOR)

STIEN: Are you all right?

THE DOCTOR: I'll mend ...

(LOOKS AT STIEN
WHO IS QUIVERING)

But will you?

(STIEN NODS)

STIEN: Or be re-processed.

THE DOCTOR: (QUIETLY) The other
alternative is to escape.

(STIEN GLANCES
ACROSS AS THE
TROOPERS)

STIEN: Where?

THE DOCTOR: My Tardis.

- 4/10 -

STIEN: You couldn't over-ride
the Time Corridor.

THE DOCTOR: Not yet. But I
could work on it.

- 10 -

6. INT. SPACE SHIP. CORRIDOR.

(TEGAN, TURLOUGH
AND MERCER MAKE
THEIR WAY CAUTIOUSLY
ALONG THE CORRIDOR.

THEY COME TO A
JUNCTION)

TURLOUGH: Now where?

(TEGAN SHRUGS)

MERCER: It's only a matter
of time before we're discovered

TEGAN: We can't just abandon
the Doctor.

(A DALEK ENTERS
THE CORRIDOR)

MERCER: Too late.

TURLOUGH: Quickly!

(THE TRIO RUN
INTO THE CONNECTING
CORRIDOR)

TEGAN: Now where?

TURLOUGH: Along here.
There's an anti-chamber. I
was here earlier.

(MERCER, TEGAN
AND TURLOUGH MOVE
ALONG THE CORRIDOR
TO THE ANTI-CHAMBER
AND ENTER JUST
AS THE DALEK
TURNS INTO THE
PASSAGEWAY)

7. INT. SPACE SHIP. DUPLICATION ROOM.

(THE DOCTOR AND
STIEN HAVE BECOME
EVEN MORE
CONSPIRATORIAL)

THE DOCTOR: Well?

STIEN: I don't know
..... The Dalek conditioning
could cloud my mind at any moment.

THE DOCTOR:
You would be safe in the
Tardis.

STIEN : But under the Dalek
influence I could kill you.

THE DOCTOR: (SMILES) I'll
take the chance ... well?

(STIEN THINKS
FOR A MOMENT,
THEN NODS)

8. INT. SPACE SHIP. ANTI-ROOM. DARK.

(TEGAN IS EXAMINING
THE "ORIGINAL"
ARCHER'S BODY)

TEGAN: Soldiers from the
warehouse.

TURLOUGH: Replaced by
Duplicates?

(TEGAN NODS)

MERCER: Then we can't use the
Time Corridor.

(THERE IS A
LOUD BANG
FROM BEHIND
THE DOOR
LEADING TO
THE DUPLICATION
CHAMBER.)

MERCER LEVELS
HIS RIFLE TO THE
FIRING POSITION)

TURLOUGH OPERATES
THE DOOR OPENING
MECHANISM.

THE DOOR SLIDES
OPEN.

BEYOND WE SEE THE
DOCTOR AND STIEN
STANDING OVER
THE TWO UNCONSCIOUS
TROOPERS)

MERCER: (cont) Freeze!

TEGAN: Doctor!

(TEGAN PUSHES PAST
MERCER AND
ENTERS THE
LABORATORY)

9. INT. SPACE SHIP. BRIDGE. RED.

(LYTTON, SUPREME
DALEK AND FIRST
DALEK AS BEFORE)

FIRST DALEK: (EXAMINES CONSOLE
BEFORE HIM) The processing
of the Doctor has stopped.

(LYTTON PRESSES
THE SECURITY CAMERA
CONTROLS.

THE IMAGE COMES
UP ON THE SCREEN
OF THE DUPLICATING
ROOM.

POV SECURITY CAMERA:
HIGH, WIDE SHOT
OF LABORATORY.

WE SEE TEGAN,
TURLOUGH AND MERCER
WITH THE DOCTOR AND
STIEN.

THERE IS A LOT
OF HUGGING AND
HAND SHAKING)

LYTTON: The Doctor is free!
Where are your Daleks?

SUPREME DALEK: The Doctor
must not escape.

(LYTTON OPERATES
THE RADIO)

LYTTON: (INTO RADIO) This
is Lytton. I want Squad 4
in front of the bridge in
thirty seconds!

10. INT. SPACE SHIP. DUPLICATION ROOM.

(AS SEEN IN
SCENE NINE)

MERCER: You should save the
greetings until later. We
must get away from here.

(HE PICKS UP
ONE OF THE
TROOPERS LASER
RIFLES)

THE DOCTOR: There's something
I must do first.

(THE DOCTOR FIRES
AT THE CABINETS WHICH
CONTAIN THE
DUPLICATES OF LAIRD,
TURLOUGH AND THE
DOCTOR.

THE GLASS EXPLODES,
BUT WE CANNOT SEE
THE FIGURES INSIDE.

HE THEN TURNS
HIS GUN ON THE
TAPE MACHINE.
HE FIRES AND THE
TAPE AND MONITOR
EXPLODES)

Strange feeling killing
yourself.

TEGAN: If my Duplicate hadn't
been programmed, why were they
sending it to Earth?

STIEN: So you wouldn't be missed. You had been hurt. All it needed to do was lie in your bed.

(STIEN THEN
PICKS UP THE
SECOND LAZER RIFLE)

THE DOCTOR: Let's go.

(THEY TURN AND
FIND THEIR WAY
BLOCKED BY THE
SECOND DALEK)

SECOND DALEK: You will remain here.

(THE DOCTOR
OPEN FIRES.

MERCER ALSO FIRES.
THE DALEK'S GUN
AND EYE STALK
EXPLODE)

THE DOCTOR: Come on.

(THE GROUP
PUSH BY THE
DALEK AND EXIT)

11. INT. SPACE SHIP. CORRIDOR.

(LYTTON AND HIS
TROOPERS ON THE
MOVE.

ALL BUT LYTTON HAVE
THEIR MASKS DOWN.

AS BEFORE. THE
IMAGE IS VERY
MUCH TO FRIGHTEN)

12. INT. SPACE STATION. LABORATORY.
DARK.

(DAVROS IS BY
THE GAS TIGHT
CYLINDER.

KISTON AND THE
CHEMIST CONTINUE
TO TRANSFER
THE MOVELLAN
VIRUS INTO SMALLER
CONTAINERS.

DAVROS HOLDS UP
ONE OF THE SMALL
CONTAINERS)

DAVROS: Perfect. With the
aid of this I shall reclaim
my rightful place as leader
of the Daleks.

13. INT. SPACE SHIP. RECEPTION AREA.

(THE DOCTOR ENTERS
THE AREA AND QUICKLY
CROSSES TO THE
TARDIS AND UNLOCKS
THE DOOR.)

THE OTHERS ENTER
AS THE DOCTOR
GOES INTO THE
TARDIS.

MERCER PAUSES BY
THE TARDIS)

MERCER: What is the Doctor
planning?

TURLOUGH: He probably doesn't
know himself. Yet.

TEGAN: Let's find out.

(THEY ENTER
THE TARDIS)

14. INT. TARDIS CONSOLE ROOM.

(THE DOCTOR IS AT
THE CONSOLE SETTING
COORDINATES.

HE WORKS QUICKLY
AND PURPOSEFULLY.

THE OTHERS ENTER)

TEGAN: Where are we going?

THE DOCTOR: The coordinates
are set for Earth.

(THE DOCTOR PICKS
UP THE
LASER RIFLE.)

TURLOUGH: Best news all
day.

THE DOCTOR: (TO STIEN) Why
have the Daleks rescued
Davros?

STIEN: To find a cure for
a virus that's destroying
them.

THE DOCTOR: And knowing
Davros, he'll succeed.

(HE CROSSES TO
THE DOOR)

TEGAN: Where are you going?

THE DOCTOR: To kill him.

TEGAN: (HORRIFIED) Doctor!

THE DOCTOR: Tegan, you have
no comprehension how
evil the Daleks are.

TEGAN: But to kill cold-
bloodedly.

THE DOCTOR: Davros created
the Daleks. If they're dying,
so be it. I cannot allow
him to intervene.

STIEN: The Doctor's right.
Davros will only make them
stronger.

THE DOCTOR: (TO TEGAN)
The Daleks aren't a
misguided race.
Positive leadership wouldn't
return them to a more harmonious
way of life. They hate
everything. And in so
doing, they only wish to
destroy.

MERCER: I'm coming with
you.

THE DOCTOR: No.

MERCER: You'll need help.
And I can show you where
he is.

STIEN: I want to come too.

THE DOCTOR: Are you sure?

STIEN: In my time, I've done a lot of things I've hated. But killing Davros wouldn't be one of them.

THE DOCTOR: (TO TEGAN) Wait as long as you can. But should the Daleks attack, leave at once.

TEGAN: And what about you?

(THE DOCTOR DOESN'T
REPLY, BUT TURNS
AND EXITS, FOLLOWED
BY MERCER AND
STIEN)

15. INT. SPACE SHIP. DUPLICATION
ROOM.

(LYTTON AND FIRST
TROOPER EYE THE
DAMAGE.

LYTTON IS ANGRY.
HIS PRIDE AS A
PROFESSIONAL SOLDIER
HAS BEEN HURT)

LYTTON: (QUIETLY) We must
find them. And kill them.

FIRST TROOPER: We've been
ordered to take the Doctor
alive.

LYTTON: We kill them all.

(HE TURNS AND
LEAVES THE
ROOM)

16. INT. SPACE STATION. LABORATORY.
DARK.

(DAVROS IS BEFORE
THE SCREEN.

ON IT WE SEE THE
DOCTOR BEING
ESCORTED BY
STIEN AND MERCER,
AS THOUGH THEY ARE
PRISONER AND ESCORT.

MERCER CARRIES THE
DOCTOR'S LASER)

DAVROS: Could this be the
Doctor?

KISTON: Must be. The fat
one is Stien, a member of
Lytton's special guard. He
wouldn't be assigned escort
duty unless the prisoner
was important.

DAVROS: (TURNS TO KISTON)
The Doctor and his Tardis.
Perfect.

17. INT. SPACE SHIP. RECEPTION
AREA.

(LYTTON AND HIS
TROOP ENTER THE
AREA)

LYTTON: Last three men,
fall out.

(THREE TROOPERS
OBEY)

(INDICATING THE TARDIS) You're
to guard that. Anyone comes
near it, kill them.

(THEY EXIT.

THE DOOR TO THE
AREA CLOSING
BEHIND THEM)

18. INT. TARDIS. CONSOLE ROOM.

(TURLOUGH TURNS
AWAY FROM THE
SCREEN.

TEGAN CONTINUES
TO WATCH,
ALTHOUGH WE
CANNOT SEE WHAT
SHE IS LOOKING
AT)

TURLOUGH: That's it.
Let's go.

(TEGAN TURNS
ON HIM)

TEGAN: We stay.

TURLOUGH: We were to go if
the Tardis was threatened.

TEGAN: Only if it were
attacked. We're staying.

TURLOUGH: We'll all be
killed. You're as mad as
the Doctor.

19. INT. SPACE SHIP. RECEPTION AREA.

(THE DOOR TO THE
RECEPTION AREA
QUICKLY OPENS AND
TWO DALEKS ENTER.

THE TROOPERS SNAP
TO AN ATTENTION.

AS THEY DO, THE
DALEKS OPEN FIRE
AND THE TROOPERS ARE
KILLED.

THE THIRD DALEK
CROSSES TO THE
TARDIS AND
PLACES ITS
SUCKER DEVICE
ON THE LOCK OF
THE DOOR)

THIRD DALEK: The door is
secured.

(DAVROS'S CONDITIONED
TROOPERS ENTER THE
AREA)

FOURTH DALEK: Davros'
orders must be obeyed. We
must find a way of entering.

20. INT. SPACE SHIP. BRIDGE. RED.

(SUPREME DALEK
HAS SEEN THE
EVENTS WHICH
HAVE JUST TAKEN
PLACE IN THE
RECEPTION AREA)

FIRST DALEK: The Daleks do
not respond to my instructions.

SUPREME DALEK: They must be
stopped. This is the work
of Davros. He must be
exterminated!

21. INT. SPACE STATION. LABORATORY.
DARK.

(THE DOOR SLIDES
OPEN AND THE
DOCTOR, MERCER
AND STIEN
ENTER)

DAVROS: Welcome, Doctor.

THE DOCTOR: Davros.

DAVROS: I have waited
ninety, long years for this
meeting.

THE DOCTOR: Sorry I
detained you.

DAVROS: It no longer matters.
You will pay with your agony,
for every second.

22. INT. SPACE STATION. CORRIDOR. DARK.

(LYTTON AND HIS
TROOPERS ON THE
MOVE.

THE RADIO IN
LYTTON'S HELMET
BUZZES.

LYTTON RAISES HIS
HAND AND THEY HALT)

LYTTON: Lytton.

SUPREME DALEK: This is the
Supreme Dalek. Davros has
gained control of two Daleks.
He must be exterminated.

LYTTON: Where are they?

SUPREME DALEK: The reception area.

LYTTON: I'll go back.

SUPREME DALEK: You must proceed.
Davros is your target.

LYTTON: What about his
work on the virus?

SUPREME DALEK: He is unreliable.
He cannot be trusted. He
must be exterminated at once.

23. INT. SPACE STATION. LABORATORY. DARK.

(KISTON AND THE
CHEMIST CONTINUE
TO WORK ON THE
CYLINDER.

STIEN AND MERCER
STAND ON GUARD
BY THE DOOR.

THE DOCTOR IS
NEAR MERCER.

DAVROS FACES THE
DOCTOR)

THE DOCTOR: You never change.
Always talk of revenge, killing,
destruction.

DAVROS: It is the only path
to ultimate power.

THE DOCTOR: But to what end?
Just more suffering for those
unfortunate enough to survive.

DAVROS: Only for those who
resist the Dalek.

(THE DOCTOR TURNS
TO MERCER WHO
HANDS HIM A
LASER RIFLE)

THE DOCTOR: And for those
who work as your slaves.

DAVROS: What are you doing?

THE DOCTOR: Until I walked through that door, I foolishly hoped you had changed enough for me not to have to do this.

DAVROS: (TO STIEN) Kill him!

THE DOCTOR: I'm not here as your prisoner, Davros ... But your executioner.

24. INT. SPACE STATION. CORRIDOR. DARK.

(LYTTON AND HIS
TROOP ON THE
MOVE.

LYTTON RAISES HIS
HAND AND THEY
HALT)

LYTTON: (TO FIRST TROOPER)
Take two men. Find and kill
the Doctor and Davros.

FIRST TROOPER: Where are you going?

LYTTON: Back to the reception
area.

25. INT. SPACE STATION. LABORATORY. DARK.

(AS BEFORE.

DAVROS IS VERY
CALM)

DAVROS: It is not within
the nature of thinking creatures
to be unambitious. Even
for someone like you, Doctor.

THE DOCTOR: Ambition. Is that
what you offer in mitigation
for the crimes you and the
Daleks have committed?

DAVROS: With your help, it
could change. I had planned
to completely redesign the
Daleks. Kiston will confirm
I am telling the truth ...

KISTON: It's so.

DAVROS: My mistake was making
them totally ruthless. It restricted
their ability to cope
with creatures who not only rely
on logic, but instinct and
intuition. That is a factor I
wish to correct.

THE DOCTOR: And compassion? Are
they to be programmed for that, too?

DAVROS: They will learn to
recognise the strength that can
be drawn from such an emotion.

THE DOCTOR: But only to make
the Daleks more efficient killers?

DAVROS: To make them a more positive force.

THE DOCTOR: For destruction.

DAVROS: The Universe is at war, Doctor. Name one planet, whose history is not littered with atrocities and ambition for empire. It is a way of life.

THE DOCTOR: Which I do not accept.

DAVROS: I am offering you a foot in reality. Join me and you will have total power at the head of a new Dalek army.

26. INT. TARDIS CONSOLE ROOM.

(IN THE BACKGROUND
THE SOUND OF
DALEK LASERS
CAN BE HEARD)

TEGAN: Don't look so worried.
Others have tried to break in
before.

TURLOUGH: I would feel more at
ease if the Tardis had an
armoury. A small hand gun
would be such a comfort at times
like this.

(AN ELECTRONIC NOISE
STARTS TO HOWL
FROM THE CONSOLE)

TEGAN: What's that?

(TURLOUGH EXAMINES THE
CONSOLE.

AS HE DOES THE TIME
ROTOR STARTS TO
OSCILLATE)

We're moving. It can't be the
Daleks.

TURLOUGH: The Doctor preset
the controls on the timer. Look
for yourself.

TEGAN: He made a mistake.

TURLOUGH: Perhaps he didn't
intend to return.

(SUDDENLY THE FLOOR
IS AT FORTY-FIVE
DEGREES, WITH
TURLOUGH AND TEGAN
CLINGING TO THE
CONSOLE)

TEGAN: What's happening?

TURLOUGH: I don't know.

27. INT. SPACE SHIP. RECEPTION AREA.

(THE TROOPERS AND
TWO DALEKS NEAR
WHERE WE LAST SAW
THE TARDIS)

FOURTH DALEK: My sensors indicate
the Tardis has entered the
Time Corridor.

THIRD DALEK: I must inform Davros.

28. INT. SPACE STATION. LABORATORY. DARK.

(ON DAVROS: HE
IS LISTENING TO
THE DALEK IN THE
RECEPTION AREA.

OTHERWISE AS
BEFORE)

STIEN: Doctor.

(HE INDICATES THE
CYLINDER IN THE
GAS TIGHT CABINET)

One of the cylinders from the
warehouse.

THE DOCTOR: (TO KISTON) The
Movellan virus?

KISTON: Yes.

THE DOCTOR: Why were the cylinders on
Earth?

(DAVROS WITHDRAWS TO
A CORNER OF THE
ROOM, MAINTAINING HIS
BACK TO THE DOCTOR)

KISTON: The Daleks wanted a
guard to protect the Earth end of
the Time Corridor. But one who
wouldn't attract attention.

THE DOCTOR: So they became
a lure.

KISTON: As well as being safely stored. It wouldn't have done for one of the cylinders to have exploded aboard ship.

(THE DOCTOR NOTICES
DAVROS. HE IS
MUMBLING)

THE DOCTOR: What are you doing?

DAVROS: Talking to myself.

THE DOCTOR: (URGENTLY: TO STIEN
AND MERCER) Outside. Deal with
the guards.

29. INT. SPACE SHIP. BRIDGE. RED.

(AS BEFORE)

FIRST DALEK: The Time Corridor
is being used.

SUPREME DALEK: It is Davros's
team. They want the Doctor's
Tardis. Let them go. They
will serve my purpose in due
course.

30. INT. SPACE STATION. CORRIDOR OUTSIDE
LABORATORY. DARK.

(STIEN STANDS
BEFORE THE
TWO GUARDS,
SERGEANT-MAJOR
STYLE)

STIEN: Do not argue. You
are to report to Commander
Lytton at once.

(THE TROOPERS
EXCHANGE A
GLANCE.

SHOULDER ARMS,
TURN AND DEPART.

STIEN WATCHES
THEM GO)

(TURNS TO MERCER) I can't
kill them.

MERCER: (ANGRY) Why not?

STIEN: I know them.

(MERCER GLANCES AT
STIEN CONTEMPTUOUSLY,
LEVELS HIS OWN
LASER AND FIRES.

STIEN LOOKS AWAY)

MERCER: You'll at least help
me hide their bodies.

(THEY MOVE OFF)

31. INT. SPACE STATION. LABORATORY. DARK.

(THE DOCTOR
STANDS BEFORE
DAVROS, HIS
GUN POINTING
AT HIS HEAD.

KISTON AND
THE CHEMIST
LOOK ON)

DAVROS: You hesitate,
Doctor. If I were you,
I would be dead.

THE DOCTOR: I lack your
practice, Davros.

DAVROS: You are soft,
Doctor. You are like
all Time Lords. You prefer
to stand and watch. Action
requires courage, something
you seem to lack.

32. INT. SPACE STATION. CORRIDOR
OUTSIDE LABORATORY. DARK.

(MERCER AND
STIEN DRAG
THE BODIES
OF THE DEAD
GUARDS INTO
AN ALCOVE.

WE SEE THAT
FIRST TROOPER
IS WATCHING
THEM FROM FURTHER
ALONG THE CORRIDOR.

STIEN AND MERCER
RETURN TO GUARD
DUTY OUTSIDE THE
LABORATORY DOOR.

STIEN IS HAVING
PROBLEMS
CONTROLLING HIS
MENTAL CONDITION)

MERCER: Are you all right?

STIEN: The Dalek conditioning...
It's starting to take hold again.

MERCER: You should have
stayed in the Tardis.

FIRST TROOPER: (O.O.V.)
Drop your guns.

(WE SEE THE
THREE TROOPERS,
GUNS LEVELLED,
STANDING AT THE
END OF THE
CORRIDOR.

STIEN TURNS)

STIEN: (CONFUSED) It's
all right. They're our
men.

(MERCER SPINS
ROUND)

MERCER: They're Dalek
troopers!

(HE FIRES, KILLING
ONE OF THE
TROOPERS.

THE REMAINING
TROOPERS FIRE
BACK AND
MERCER FALLS
DEAD.

STIEN IS
HORRIFIED AND
STARTS TO FIRE
WILDLY.

HE KILLS ANOTHER
TROOPER.

FIRST TROOPER
RETURNS FIRE
AND STIEN FALLS
WOUNDED.

FIRST TROOPER
RUNS FORWARD)

(NO SCENE 33)

34. INT. SPACE STATION. LABORATORY. DARK.

(THE DOCTOR
RUSHES TO
THE DOOR,
OPERATES
THE MECHANISM
AND THE DOOR
SLIDES OPEN.

FRAMED IN THE
OPENING WE
SEE FIRST
TROOPER STANDING
OVER THE BODY OF
MERCER.

FIRST TROOPER
TURNS TO FIRE,
BUT THE DOCTOR
IS QUICKER AND
FIRST TROOPER
FALLS DEAD)

35. INT. SPACE STATION. CORRIDOR. DARK.

(THE DOCTOR
ENTERS AND
LOOKS AT
MERCER
BRIEFLY,
THEN MOVES
TOWARDS STIEN.)

STIEN SNATCHES
UP HIS LASER
RIFLE WITH HIS
GOOD HAND AND
POINTS IT AT
THE DOCTOR)

STIEN: Stay where you are.

(THE DOCTOR HALTS)

THE DOCTOR: You need
medical attention.

STIEN: I can't control my
mind. I'm not safe.

(STIEN CLIMBS
TO HIS FEET)

I caused Mercer's death.
I've got to get away from
here.

(STIEN SLOWLY
MOVES UP THE
CORRIDOR, DEEPER
INTO THE SPACE
STATION)

THE DOCTOR: I can help
you. Go back to the Tardis.

STIEN: No ... And don't
follow me, Doctor ... I
may kill you if you do.

(SUDDENLY THE
DOOR TO THE
LABORATORY
SLIDES TO.

THE DOCTOR
RUSHES TO IT,
BUT IS TOO LATE)

THE DOCTOR: I'm an idiot.

(IN HIS
FRUSTRATION,
THE DOCTOR
KICKS THE DOOR,
THEN LOOKS IN
THE DIRECTION

SUPREME DALEK: You have not won
Doctor.

THE DOCTOR: You won't be able to
invade Earth.

SUPREME DALEK: It was never my
intention to invade. Sheer force
is no longer necessary.

TURLOUGH: What does he mean?

SUPREME DALEK: I have already
placed Duplicates on Earth.
It will be a matter of time
before they undermine social
order and Earth society collapses.

TEGAN: No!

SUPREME DALEK: A small force of Daleks would only be necessary to take over.

THE DOCTOR: Your Duplicates aren't stable. It won't work.

SUPREME DALEK: That is not true. We shall not fail. The Daleks will triumph!

TEGAN: Davros?

THE DOCTOR: No ... Stien.

TURLOUGH: He was a Dalek Trooper.

THE DOCTOR: He was from Earth.
An unstable Duplicate. He must
have finally decided which side
he was on.

TEGAN: Brave man.

(THE DOCTOR NODS)

THE DOCTOR: (SADLY) Because of
the Daleks, a lot of brave people
have died today...And it sickens
me.

TEGAN: Are you sure all the
Duplicates are unstable?

THE DOCTOR: How can I be.

TURLOUGH: You should inform
Earth authorities.

TEGAN: But will they listen?
This is 1983. You know what they're
like when there's talk of alien
invasion.

TURLOUGH: One look inside the
warehouse will convince them.

(THE DOCTOR HAS
HAD A SUDDEN
THOUGHT)

THE DOCTOR: Wait a minute. The
man in the warehouse. The
Commander of the Dalek troop...
What was his name?...Lytton.

TEGAN: What about him?

THE DOCTOR: He's still alive.
I saw him. (SUDDENLY VERY
CHEERFUL) He'll know who the
Duplicates are.

TEGAN: How do you know.

THE DOCTOR: He's the sort of man
who would make it his business
(SMILES) Earth is safe, Tegan.
All we have to do is find Lytton!
